

DIXIE®

ULTRA

OUR CUTLERY DISPENSERS

Dixie Ultra® SmartStock® Cutlery Dispensers are the ultimate hygienic solution and image booster. But that's just the beginning. These dispensers can improve guest experiences by offering improved hygiene, efficiency and sustainability with innovative one-at-a-time dispensing—and even first-of-its-kind touchless cutlery dispensing.

Dixie® Cutlery has every meal in your lunchroom, break room and cafeteria covered with strong, rigid cutlery solutions for an enjoyable guest experience. With forks, knives and spoons in all different weights and colors, there is a Dixie® Cutlery option just right for your business and your budget.
